This is a follow-up to our Letter of Offer dated February 24, 2015. Based on further review and analyses of the Project corridor and right-of-way needs, it has been determined that the acquisition areas and impacts have changed. The fee take acquisition area has decreased from 3,608 square feet to 2,987 square feet and the Temporary Construction Easement consisting of 2,602 square feet is no longer needed by the Honolulu Authority for Rapid Transportation (HART). The previous Letter of Offer dated February 24, 2015, is null and void.

Based on our findings, as contained in the enclosed Statement of Just Compensation, HART offers to revise our offer to purchase a portion of your property, a total of 2,987 square feet, in fee simple, free and clear of all liens and encumbrances for guideway purposes, for the total consideration of \$608,300 (Six Hundred Eight Thousand Three Hundred Dollars), as shown colored in red on the enclosed map.

The amount of offer is predicated on the assumption that there exists no hazardous substance, product, or waste on the subject property. Please be advised that the amount offered is subject to completion of an environmental site assessment by HART, and the cost to remediate any identified findings may affect the valuation of the subject property.

If this offer is acceptable, please sign the duplicate of this letter and return it in the enclosed envelope by **May 12, 2016**. The remaining copy is for your file. Enclosed for your information are the Appraisal Summary Statement and General Acquisition and Relocation Information Brochure. Also enclosed is a draft Possession and Use Agreement for your review, consideration, and for further discussion with your acquisition agent. The Possession and Use Agreement is intended to provide you early access to most of the purchase price of this acquisition subject to HART being provided access to the portion of your property required for construction of the H RTP with minimal risk to the Project. Under this agreement, your rights to the full just compensation amount are fully reserved and enforceable.

It is the desire of HART to acquire private property through voluntary purchase if possible. While HART has the power of eminent domain, HART has not sought the authority nor made any decision to exercise the power of eminent domain to acquire your property at this time.

In accordance with federal regulations affecting real property transactions, we request your cooperation in providing us with your Taxpayer Identification Number. Please execute and return the enclosed IRS Form W-9 at the same time. The W-9 is required by our Department of Budget and Fiscal Services to release the check.

This settlement may be executed in several counterparts and all so executed shall constitute one settlement, binding on all the parties hereto even though all the parties are not signatories to the original or the same counterpart.

HART has retained the services of Paragon Partners Ltd to assist you with the acquisition process. Please contact Mrs. Brooke Sipe at 536-5900 if you have any questions or to discuss this matter further.

Re: Honolulu Rail Transit Project
HART RW Parcel 431
Parcel Designation: TMK (1) 1-5-015-010
909 Dillingham Boulevard, Honolulu, Hawaii 96817

Dear Ms. Marquis,

At your request, we have appraised a real property interest for the above real estate. Our objective was to form one or more opinions about the market value for a 100% ownership interest in the subject property's fee simple estate assuming no liens or encumbrances other than normal covenants and restrictions of record.

The purpose of this appraisal report is to assist the Honolulu Authority for Rapid Transportation in the *Partial Acquisition* for Eminent Domain acquisition proceedings of the subject property as part of the Honolulu Rail Transit Project.

As a preview, the subject property physically consists one parcel consisting of 145,165 square feet (3.33 acres) per survey map and zoned IMX-1 Industrial Mixed-Use. Per our exterior observation and tax office records, it is improved with a 34-year old, two-story office building consisting of 99,291 square feet and an asphalt paved open parking area. These improvements are not included as part of our appraisal job scope.

The partial acquisition area runs along the property boundary frontage on Dillingham Boulevard and consists of 2,987 square feet.

This valuation contains analyses, opinions, and conclusions along with market data and reasoning appropriate for the scope of work detailed later herein. It was prepared solely for the intended use and intended user(s) explicitly identified in the attached report. Unauthorized users do so at their own risk. The appraisal is

communicated in the attached Appraisal report, and conforms to the version of the Uniform Standards of Professional Appraisal Practice (USPAP) in effect on this report's preparation date of February 29, 2016.

For purposes of this appraisal report the definition of market value from the fifth edition of the *Uniform Appraisal Standards for Federal Land Acquisitions* was utilized and is defined in the Market Value Criterion section of this report.

This letter is not an appraisal report hence it must not be removed from the attached 124-page report. If this letter is disjoined from the attached appraisal report, then the value opinions set forth in this letter are invalid because the analyses, opinions, and conclusions cannot be properly understood.

In general, valuation of the subject property involves no atypical issues. All value opinions are affected by all the information, extraordinary assumptions, hypotheses, general limiting conditions, facts, descriptions, and disclosures stated in the attached appraisal report. After careful consideration of all factors pertaining to and influencing value, the data and analysis thereof firmly supports the following final value opinion(s) for the subject property partial taking as of February 19, 2016:

\$ 20,981,000	<i>"As Is" Indicated Market Value of the Larger Parcel</i>
\$ 20,549,000	<i>"As Is" Indicated Market Value of the Remainder Parcel</i>
\$ 432,000	<i>"As Is" Indicated Market Value of the Partial Acquisition</i>
\$ 432,000	<i>"As Is" Indicated Market Value of the Partial Acquisition (Rounded)</i>
\$ 162,000	<i>Add: Total Parking Severance Damages to the Remainder Property</i>
\$ 0	<i>Less: Special Benefits to the Remainder Property</i>
\$ 14,300	<i>Add: Contributory Value</i>
\$ 608,300	<i>Total Fair Market Value of the Partial Acquisition (Rounded)</i>

Thank you for your business. Let us know how we may further serve you.
